

Dear Galit Harel-Bechor,

Thank you for your help with my asylum case. This means a lot to me. Now I don't have to worry about my immigration status. You'd been so great for the whole entire process and I really appreciate your effort and knowledge.

You did everything you promised and more. You comforted me when I was worried, and fought hard for me. Your friendly attitude helped me go through the toughest times.

Thank you!

Sincerely yours,

Jules Gress.
